February 2022

Dear Parents and Guardians,

On behalf of the Immaculate Conception School Council, we are writing to advise you of the tuition fees beginning in September 2022:

\$290 per month for an individual student (up from \$280)

\$425 per month for a family (up from \$410)

These tuition rates reflect the increasing costs to operate our school, including salaries, insurance, utilities, technology services and other administrative costs. Responsible financial stewardship is a core value for our school council.

We appreciate your family's ongoing support of our school community. By sending your children to Immaculate Conception School, you are placing your trust in us to offer a faith-filled, values-driven and academically stimulating educational environment.

Thank you for your commitment to Catholic education.

Carolynne Burkholder-James

Immaculate Conception School Council Chair

Fr. Chris Lynch

Pastor
