## Principal's Message

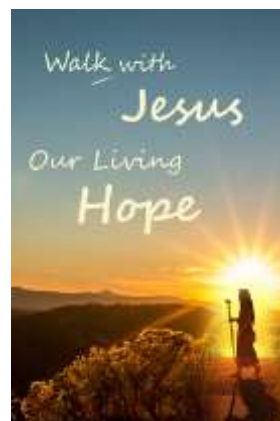

Flowers are beginning to bloom, trees are budding, the weather is slowly warming up and it appears that spring is finally here!

Our virtue this month is compassion. How can we show compassion to others when they are hurt? Compassion helps us to be understanding of others and ourselves, especially during difficult times.

As we begin this month of May, we honour Mary in a very special way and celebrate her commitment to God. Mary placed her trust in God and emphatically said yes to Him! She showed great courage and love. Like Mary, we are also asked to say yes to God and listen to His calling.

Have a blessed month!

This May, Immaculate Conception School is helping kids at BC Children's Hospital get out of their hospital gowns and back into their jeans. Last year, more than 96,000 patients visited BC Children's Hospital—the only hospital in the province devoted exclusively to kids. On May 28, wear your jeans to school and bring a donation in support of this great cause. Together, we can challenge this status quo and help safeguard the health of kids in our province.
