January 21, 2020

On Friday, February 28, students in Grades 5-7 will have the opportunity to go to **Purden Ski Village** for a day of skiing and snowboarding. Parents are welcome to ski/snowboard with us, **but must register with the school to be eligible for the group rates.** Details are provided below.

- **Transportation:** Some parent volunteers may be needed to transport skis and snowboards to and from the hill as these cannot all likely be put on the bus. Volunteers will be contacted to confirm arrangements ahead of time. **Drivers must have a current drivers abstract and provide the school with copies of their driver's license and current insurance papers. Forms can be found [HERE](#).**
- **Lessons:** The hill has ski and snowboard instructors available and will be able to accommodate beginner and novice ski lessons. Please complete the data form online on our website [HERE](#). Please note, Purden uses N for non-skier/snowboarder or S for skier/snowboarder.
- **Helmets:** **The use of helmets is mandatory on school ski trips.** Purden Ski Village has helmets available to rent at a cost of \$8.00. Be sure to indicate on the data sheet if you wish to rent a helmet. If you are paying for a full package, lift, rentals and lessons, the helmet is included in the price.
- **Busing:** **All students are expected to ride the bus to the hill unless noted otherwise on the attached form. No refund of the busing fee will be given if arrangements to ride to the hill with parent drivers are made after payment is received. Cost for the bus will be \$15.00 per student.**
- **Safety:** Prior to the ski trip there will be a safety presentation by Purden staff. Children will be required to **ski in groups of at least three**. Wearing proper winter clothing is part of the safety considerations when going to the ski hill – snow pants, gloves, toque, etc.
- **Volunteers:** We will require parent chaperones for both on the hill and inside the chalet. If you can help out, please indicate on the slip attached. All volunteers must have a **current Criminal Record Check on file. These can be done [HERE](#).**
- **Lunch:** Students may bring a lunch with them or the canteen is available at the hill. *Note: it is always a good idea to bring cash. Purden may experience frequent internet outages. There is no ATM onsite.*

Our ski trip is an extension of the physical education program and we aim to have all students participate. **Should there be any reason why it might be difficult for you to participate please contact Mrs. Barth.**
