Dear Parents,

This year's Christmas presentation will be a recorded version of "From Oz to Bethlehem", a re-telling of the Christmas story with the help of the characters from the Wizard of Oz. All students will be taking part in the production through their music class. A core cast will act out scenes that will tell this wonderful story. Of course, due to the Covid-19 pandemic, we are unable to perform live for you and we will deeply miss this great tradition at our school. However, we are excited to approach this in a new way and look forward to having a recording that will be sent home to you before the Christmas holidays.

Grade six and seven students are still invited to sign up for this drama option. It will involve practices in the evenings this year (due to conflicts with after school care and being mindful of Covid numbers). It is very important that students who wish to participate are able to commit to these practice times. We recognize that it is difficult for many students to make this time commitment, but we are simply unable to find enough time during school hours to practice sufficiently. Roles will be considered for all who wish to take part as long as the students can attend most of the rehearsals. Some of the roles that are very central to the show must be filled by students who can make every practice. In order to ensure we cast the show properly, please confirm with us on the form below if there are any practices you would have to miss. The first session will allow us to cast our "From Oz to Bethlehem" parts.

If you have any questions please contact Lucille Schaubroeck at lschaubroeck@cispg.ca

Practices:

Monday & Tuesday: November 16, 17, 24, 30 & December 1, from 6:30-8 PM

Sincerely,

The Concert Committee
