## October Newsletter from Ms. Becker's Class

--Grade 1--

### Announcements

Welcome to October everyone! I hope everyone is staying safe and happy. We have a very fun-filled month planned, with activities, Thanksgiving, and Halloween. With these activities in mind, there will be information coming home with students. Please remember to perform daily checks to your child's planner so that you are informed of all the events happening at Immaculate Conception School. Happy Fall!

This month's classroom theme is all about Pumpkins! We will be investigating, dissecting, and creating a variety of projects around this very fun October symbol. Here are a few Big Ideas we will be exploring...

**Language Arts:** Curiosity and wonder lead us to new discoveries about ourselves and the world around us.

**Math:** Repeating elements in patterns can be identified.

**Science:** Living things have features and behaviours that help them survive in their environment.

**Social Studies:** We shape the local environment, and the local environment shapes who we are and how we live.

**Art:** People create art to express who they are as individuals and community.

**Health and Career:** Strong communities are the result of being connected to family and community and working together toward common goals.

### Important Dates

- Fri. 8th: School Mass @ 9am
- Mon. 11th: Thanksgiving Day
- Fri. 22nd: Pro D. Day
- Fri. 29th: Orange and Black Day
