## Principal's Message

Welcome to June! It is unbelievable that we are heading into our last month of the school year! June is a busy month and it is filling up with various activities so please refer to the online school calendar for the most up to date information.

There are a few field trips planned for various classes. If parent volunteers are required, it is **imperative** that criminal record checks are at the office and that these are current.

"One Family, One Hope in Christ" has been our theme this year. United as a school family, we placed our hope and faith in Jesus as we navigated another school year amidst the pandemic. We are extremely blessed to have been able to work, learn and play together this year, even though various restrictions were in place for most of the school year. We thank God for the many blessings He bestowed upon us this year and for guiding us through another challenging year.

We wish everyone an enjoyable last month of school and we look forward to seeing everyone around the school for various events!

## Mass in the Park

On Friday June 10<sup>th</sup>, students will travel by bus to Lheidli T'enneh Memorial Park to attend Mass. Mass will begin at 10:00 am and parents and families are welcome to join us.

A volunteer has offered to drive hot lunch to the park so that students who have ordered will receive lunch as usual.

## IC Relay for Life

We are preparing to participate in the Relay for Life event being held on June 11, 2022. This year it is a six-hour event and not the usual 24-hour event that we are accustomed to. This is an excellent opportunity to get involved in an amazing community event, while also raising money and awareness for cancer and cancer research. This event is open to the entire school community, and everyone is encouraged to participate.

This event will be held at Lac de Bois School and will run from 4:00pm to 10:00pm. All families are encouraged to come down in your Kodiak gear, walk a few laps with our school community, and enjoy this special event.
