Year End Item Pick Up

On June 19, we will be having a final pick up of all student belongings. Any items that still remain here at school will be individually packaged and labelled with your child(ren)'s name. Our pick up process will be the same as it was in early April. Any items belonging to the school such as library books can be dropped off at this time. The schedule for pick up is as follows:

9:30-11:30: Families with the last name A-G

12:00-2:00: Families with the last name H-N

2:30-4:30: Families with the last name O-Z

Yearbooks

Unfortunately, due to Covid-19 and resulting temporary closure of business, there will be a delay in receiving our yearbooks. We expect to receive them in September. A list of all students who have purchased yearbooks will be kept on file and we will contact Grade Seven parents to arrange delivery once they arrive.

Rezoning Letter

Immaculate Conception School has received a letter (see attached) supported by Bishop Jensen containing information regarding the potential rezoning of a property in College Heights that would enable the sale of cannabis near College Heights Secondary School. Please use the following email link if you would like to register opposition to this rezoning with the Mayor and City Council, mayorandcouncil@princegeorge.ca
