October 28, 2020

Dear Parents,

Please find attached a letter from Northern Health. A member of the school community at Immaculate Conception has tested positive for COVID-19. They are currently self-isolating at home with support from local public health authorities.

Northern Health has deemed this as not a true exposure event, suggesting that this is a low risk exposure. Families are encouraged to continue the daily health checks to monitor child (ren) for illness. We continue to work closely with Northern Health to provide ongoing communication as required.

To ensure personal privacy rights are maintained, we will not be providing additional details.

The safety and well-being of our students, families and staff remains our highest priority. Please be assured that our school will continue to implement the strict protocols and procedures we have in place, so that students can continue to attend school as safely as possible.

If you have any questions or concerns about COVID-19, please contact our local health authority or call 811.

Sincerely,

Mrs. K. Barth  
Principal
