

# Grade 5 Work Outline for June 1-5, 2020

We have made it to June, well done. This will be our first week when we have students working both from home and at school but the work list is the same for everyone. No classes or zoom on Friday.

## 1. Religion – The Gifts of the Holy Spirit

Design a poster (draw it or do it on the computer) to represent the gifts of the Holy Spirit. Make sure that in your poster you have include the Holy Spirit (could be as a dove, as a tongue of fire, or as wind) and that you have included all 7 gifts of the Holy Spirit. Fill it with colour.

## 2. Language Arts

### a. Literature Circles

- i. Read the second section of your book. Pick ONE reading power and come to our lit circle meeting ready to share (how did you connect, question, visualize, or infer in this part of the book). If you didn't do any last week then you need to make sure you do two!

### b. Writing Skills – SECTION C – IMPROVING OUR ACCURACY

This week our focus is on using apostrophes – firstly we will make sure you know what an apostrophe is and then we will study 3 different ways to use an apostrophe. Watch the video and then complete pages 22, 23, and 24 in your writing duo tang.

## 3. Math

### a. This week we will finish our geometry unit.

- i. Reflections and Translations – telling the difference – Jump Math pages 95, page 96 Q4).
- ii. Rotations (Jump Math pages 98 and 99) – Video on google classroom.
- iii. Do the quiz on Google Classroom.

## 4. Physical Education, French, and Music

- a. Please check out the school website and google classroom for the latest from PE and Music.
- b. Continue working on the French Package from Mdm. Conway.

## 5. Science - Making the BEST EVER Homogeneous Solution.....TWO WEEKS TO DO THIS

This is your last Science assignment of the year!!!! Look at what has been posted on Google Classroom about different kinds of homogeneous solutions. Fill in page 13 in your duo tang.

Then dream up your own homogeneous solution (Mr. O' has lots of ideas for you on google classroom). Make it and fill out page 14 in your duo tang. You must make a poster or a video to advertise your new amazing solution. Post it up to Freshgrade!

**I will be awarding GIFT CARDS for the TOP 3 as decided by my 'Dragons Den' judges (see judges rubric on google classroom). There will also be a class draw for a GIFT CARD from everyone who is finished by June 15<sup>th</sup>.**
