Friday, April 21st

Earth Day (Blue and Green Shirt Day)

Friday, May 5th

Field Trip Forms due

Teacher Update

- Students will be participating in Literature Circles activities this term. There will be some short work blocks available for students to work on their assigned job, but most of the reading and work will need to be worked on at home. Literature circles jobs are due every Thursday.
- Our big year end field trip this year will be a day trip to Ness Lake. Bible Camp on May 23rd. If you require any financial assistance to pay the field trip fee, please contact the office to access the grant money we have available to ensure affordability for all families.

In order to maximize our time at Ness Lake, the field trip will go beyond regularly scheduled school hours. We will require parent drivers to help transport students to and from Ness Lake Bible Camp to make this happen. If you are able to drive, please indicate on the permission form and ensure the office has your insurance info, drivers abstract and criminal record check at least one week before the trip. Your assistance is greatly appreciated to help make this a fun and memorable day for our students!

If you have any questions or concerns, please don't hesitate to contact me or the office.

-Mrs. Hodgson
