

# Grade 5 Work Outline for June 15-19, 2020

Congratulations everyone, we have made it to the final full week of the school year. A sincere thank you to all for your ongoing support of the program. Pick up of the last of the students' belongings is on Friday – check the schedule from the office.

## 1. Student Self Evaluation

Please read the attached letter about the core competencies. Each student must complete the attached self-evaluation. Please help your child to do this with the highest level of accuracy and neatness as it will be part of the end of year report card.

## 2. Religion – Prayer of Gratitude

All students are asked to design a prayer of thanks and gratitude for all that has been achieved this year and for those people they would like to give thanks for.

## 3. Language Arts

### a. Literature Circles

- i. Complete the final two activities (pick two from the back of the reading powers page) and post them to Fresh Grade.

## 4. Math

- a. This week we will do a short unit on algebra. Watch the video on google classroom. Complete the pages and questions listed below.
- b. Complete the quiz on google classroom.

 My book is in school Kathleen and I will add these pages before it goes out =)

## 5. Art

Its Father's Day coming up. Check out the different ideas on google classroom and design a card for Father's Day. If you have a different artistic day for this, then please do that instead.

## 6. Physical Education, French, and Music

- a. Please check out the school website and google classroom for the latest from PE
- b. Mrs. Harris has posted this week's work in Music on google classroom.
- c. Continue working on the tasks posted on the French Google classroom.
