Principal's Message

The snow is finally melting, the weather is slowly warming up and it appears that spring is finally here!

Our virtue this month is compassion, and the grandfather teaching is wisdom. How can we show compassion towards others? Compassion helps us to be understanding of others and ourselves, especially during difficult times.

As we begin this month of May, we honour Mary, our heavenly Mother, and celebrate her commitment to God. Mary placed her trust in God and emphatically said yes to Him! She showed great courage and love. Like Mary, we are also asked to say yes to God and listen to His calling.

This month we are proud to present... Aladdin Junior! Our musical theatre students, along with Mrs. Ceaser and Mrs. Harris, have been diligently working on this production since September. Please come out and support our students.

May 11th at 6:30pm

May 12th at 1pm and 6:30pm

We will be busy with various activities for the next month, so please ensure you keep checking our online calendar for the most up to date information.

On behalf of all the staff, we want to wish all of the mothers and grandmothers a very Happy Mother's Day this month.

Have a blessed month!
