Dear Parents,

Jesus taught us to *"Love one another as I have loved you."*

Our virtue this month is Love. Throughout this month we will focus on how to show love and kindness to all. The greatest commandment Jesus gave us was to love God and the second was to love our neighbour!

This month, students are encouraged to spread love within their homes, school and greater community; simple acts of kindness, done with love. Let us be a light and spread our love to others!

This month students will be making Valentine cards and these will be delivered around town to varying agencies.

On behalf of all the staff, we wish you a month filled with joy and love.

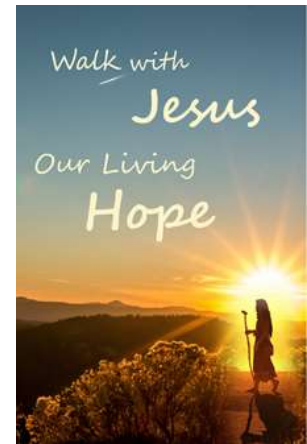

In the words of Mother Teresa:

"Spread love everywhere you go. Let no one ever come to you without leaving happier"

## **Northern United FC**

Please find the following update provided by Northern Bounce.

## **Northern Bounce - Winter Academy**

We are excited to announce that we have opened registration for our 2021 Winter Academy. These academies will be open to boys and girls Grade 3 to Grade 12. These academies will consist of four sessions over a two-week period from Feb 1st-Feb 11th. The program details are below.

**Please note that we have changed our age groups for programs.** We now have two full gyms for our programs and your son/daughter will be put with an age/skill appropriate group within their division.

We are expecting to hear from our Provincial Health Organization on February 5th. There will be an announcement regarding the move from Phase 2 to Phase 2.5. We will have program details out as soon as we get more information. We are hopeful that we will be able to run a four-week league for our players before Spring Break.

We have tried our best to shorten our programs and make other changes to accommodate the ever-changing policies and guidelines set by our provincial health and sport authorities. **However, in the event of a facility shutdown we will not be able to refund any program fees once the program has started. If we are shut down before a program has commenced we will be offering a full refund or a registration hold in an upcoming program.** We are so thankful for our Northern Bounce community and all of the support we have received this summer. We are looking forward to the winter programs and getting better each and every day while staying safe and healthy.
