Old Business

- Shopping Card Program: Nick and Sarah
 - There have been some large orders for Christmas. The cheques have been mailed but can be slow to arrive; hence the deficit showing in the statement.
 - Christmas orders since November have been going well with large corporate orders as well as a healthy amount ordered from IC families.
- Basketball Hoops

- Kathleen confirmed that they have decided against expensive new backboards. Instead, backboards will be painted and new nets and rims ordered.
- Ms. Ames has suggested that an electronic score board would be a good investment since we have gaming money to spend. Kathleen will get information on costs for the next PSG meeting.
- Stephanie suggested exploring soccer nets and finding out if new ones are needed.
- New Secretary Volunteer
 - Jessikha and Julia both contacted parents in their kids' classes but got no interest in the position.
 - Andrea expressed an interest in talking to Julia about it after the meeting
 - *post-meeting update: Andrea is willing to stand for the position of secretary in the January elections.

New Business

- Purdy's
 - The order arrived on the day of the meeting.
 - Because of the current COVID-19 circumstances, the number of outside people in the school has to be kept to a minimum. Kathleen will contact people if help is needed/possible for the Purdy's sorting.

Next Meeting: January 12, 2022, at 7:00pm via Zoom.
