Dear Parents,

Our students are always finding ways to give back within our school and greater community. They are always opening their hearts to help others. We are now encouraging them to do this again... they are giving back to those who they care for the most.

The Leadership team is asking all families to clean out those cupboards and basements and donate any gently used items. We will be taking all donations. Students will then be able to come and find gifts for others in their family. Leadership students will be there to help wrap these special gifts, but we will also need parent volunteers. If you can donate an hour, or just half an hour, please come join us and spread some cheer!

While we are looking for gently used items, we are also looking for wrapping paper, gift bags, tissue paper, etc. Please send all items to school by December 4th.

Thank you for your continued support and generosity. If you have any questions please feel free to contact me.

In gratitude,

Mrs. K. Barth

Principal
