Dear Parents:

Our extra-curricular basketball program begins next week. We are planning games against other schools this season. We are inviting all interested Grade 6 and 7 students to participate. The girl's team will practice on Mondays (unless there is no school on the Monday) and the boys will practice on Wednesdays. All practices will run from 2:30 to 3:45pm. Teams will play games on Thursdays against St Mary's, Sacred Heart and Cedars Christian schools. The schedule will be sent home when it is finalized.

We are looking for parent volunteers to help coach. These coaches must adhere to all government guidelines, including wearing masks and using good hand hygiene. Please contact me if you are interested.

As long as the students are completing homework, maintaining their grades, and behaving well, they will be welcome on the team. This will be up to the homeroom teacher's discretion. This slip must be returned on or before January 17th.

Each parent is responsible for driving their own son or daughter to games this season. Due to COVID regulations, the school cannot organize rides. If you have arranged for another parent to drive your son or daughter, I need to be e-mailed the night before a game. Any students without a prearranged ride will not travel to the game.

Until further notice, no spectators will be allowed at any games or practices. Make sure that you contact me if your son or daughter is unable to make a game or practice.

Thanks,

K. Ames
