Principal's Message

Happy June! While our last month of school looks entirely different, we are thrilled to hear the sound of children's voices coming from a few of our classrooms! Thank you to all of our students and families for your patience, support and understanding as we have navigated through uncharted waters this term. We continue to be mandated by the Ministry of Education and the Provincial Health Authority and follow the protocols that have been set out by these governing authorities. While we are still awaiting further direction for September, we are committed to keeping families informed over the summer holidays.

This year we have focused on many teachings, including respect, wisdom, humility, love, truth, honesty and courage. We humbly look back on our learning adventures this year, and while they have been unique, we give God praise for all the many blessings He has bestowed upon us. We thank God for guiding us throughout this school year and allowing us to learn, pray and play together.

On behalf of our staff, we wish everyone an enjoyable last month of school and we look forward to seeing all of your smiling faces again in September!

June 1 Optional Return to School

The school will be open Monday and Tuesday's for families who have opted to return. For children of Essential Service workers, the school will be open Monday to Friday. We are scheduling student attendance weekly and if you have not already done so, please inform the office or Mrs. Barth of the days that your child will attend. If your child will not be attending school, please let the office know by phone or email a day in advance for planning purposes. Please be advised that due to health and safety regulations, we must stagger drop off and pick up and parents will not have access to the building at this time. We thank you for your patience and understanding.
