

Grade One Week 11

We are almost there! Again, thank you for attending the zoom meetings. I am going to continue small groups for next week. We still need to practise using the phonics skills in our writing. The math workbooks can go in a drawer for now. The word problems are difficult when we haven't had enough practise with the equations. Check Google Classroom for some practise pages.

Monday, June 15

1. Journal writing – Please ensure the letters are made correctly within the lines, no capital letters in the middle of words, sentences begin with a capital and end with a period and check the spacing of each line. If you are not sure, please look at the writing they did when they were in class. Thank you.
2. Phonics – p. 285-289 We are still practising short and long vowels and suffixes and root words at the zoom meetings.
3. Math – no more workbook! Memorize addition and subtraction facts in these forms: $4+5=$ __ , $__+6=9$, $2+__=8$, $7-3=$ __ , $__-5=4$, $7-__=5$. Use the number line. We will practise these at the zoom meetings.
4. Printing Book – Tt Again, I really need the children to take time to form their letters properly. Look back and see how they did when they were in class.
5. Read – check email

Tuesday, June 16

1. Phonics – p. 290 This is the only page for today so please take your time printing nicely in the lines and put together an interesting sentence.
2. Math – There are three worksheets on Google Classroom. Choose one. Practise addition and subtraction facts.
3. Printing book uU
4. Read

Wednesday, June 17

1. Phonics – p. 193-195 The next few pages are on contractions. I will explain what contractions are at the zoom meeting.
2. Math – worksheet
3. Read

4. Printing vV

Thursday, June 18

1. Journal writing- - I know it is not Monday, but most really need work on this.
Choose your own topic or write about what you have learned about covid.
2. Phonics – p. 296-299
3. Math – worksheet on Google Classroom
4. Printing – Ww
5. Read

That's a wrap folks. See you at the zooms. Again, if you cannot make them, we can reschedule.
