Principal's Message

Welcome to June!

As we begin our final and extremely busy month of this school year, we encourage parents to refer to the school calendar online for the most up to date information. June is a busy month, filled with many activities.

There are a few field trips planned for various classes. If parent volunteers are required, it is **imperative** that criminal record checks and driving information are at the office a week prior to the scheduled field trip. All these documents must be current and up to date.

We know how busy June can be so if you have any questions, please do not hesitate to call the office for clarification. We look forward to seeing everyone around the school for various upcoming events and field trips!

June Calendar

June is a busy month with many different field trips and activities going on. Please be sure to check the online calendar for the most up to date information.

Evening of the Arts

The Arts are a very important part of any child's education. We are very proud of the gifts and talents of our students. Once again, we are happy to be showcasing this in our annual "Evening of the Arts" at Immaculate Conception School on Friday, June 5th, at 6:30 p.m. This celebration will include a program made up of the special talents of our students. We hope you can join us.
