

GRADE 4 NEWS

June 2025

MS. O'BRIEN

Dear Parents

Welcome to our last month! It's going to be busy with a lot of different activities this month including swimming, track and field, sports day, field trips etc. and trying to wrap up a few more academic topics.

ACADEMICS. We will be continuing to work on our independent reading assignments for two more weeks, so reading should be pretty much the only homework. Weekly reading assignments are due on Wednesdays. This is the last week we are doing our spelling program, and the last test will be Tuesday, June 10th. In Math, we are finishing our last couple of units, decimals and algebra.

SWIMMING. Swimming will continue for the next three weeks, until Wednesday June 18th, so please help students remember to have their swim stuff ready on Mondays and Wednesdays.

BARKERVILLE. We will be travelling to Barkerville on Tuesday, June 17th. Thank you to all parents who volunteered to join us and help transport students. Please remember that any parent volunteers/drivers need to have **criminal record checks** and **driver's abstracts** completed. Please contact the office for more information.

THANK YOU! I would just like to send a big shout out to all you parents who volunteered this year! I am always amazed and impressed and so appreciative of all the help we get for field trips, hot lunches, coaching, school projects, fundraisers and events, attending workbees, and being part of the PSG, and school council. We are truly grateful for you sharing your time and your talents! Thank you!

If you have any questions or concerns, please contact me at kobrien@cispg.ca.

Sincerely,
Kate O'Brien
