Message

Welcome to Grade 5! I'm excited to begin a year full of growth, and new adventures in learning. This year will bring, and plenty of opportunities for students to build independence and confidence. I look forward to partnering with families to help each student thrive!- Miss. Vickers

Reminder

Please label or initial your child(ren)'s belongings, especially school shirts and sweaters, to make it easier to return them if lost. With a large class, there are often duplicates of items, so labeling helps ensure everything gets back to the right owner.

Looking Forward

This year we have lots of fun topics. (Stay tuned for specific monthly updates.) Including but not limited to:

Language Arts: Students will explore different novel studies, work on their writing and spelling skills, and different reading and writing strategies.

Math: Students will work with fractions, measurement, decimals, multiplication, division, geometry

Social Studies: Students will learn about Canadian identity, more about the Canadian Government, immigration, Indigenous Peoples of Canada and different historical events that shaped our country.

Science: Students will explore simple machines, human body systems and how they work together, and the rock cycle

Art: Students will be participating in a variety of art projects using different materials.

Career/Health: Students will be learning about a variety of different careers, different SEL activities

Spelling: Students will continue to have spelling words and tests

OUR CLASSROOM VOLUNTEER OPPORTUNITIES

Stay tuned for volunteer opportunities in our class

Class Rewards:

We are using class dojo this year. Students will earn points individually and as a class to redeem for rewards throughout the year. You will be able to connect and communicate with me and see any updates happening in our classroom.

Questions or concerns message me through Class Dojo or email:
