

## How You Can Help!

Because this is our very first time hosting this event — and with the current campfire ban — we are looking for some extra community support to help make it cozy and comfortable:

- We are seeking 5–10 outdoor propane heaters (with full propane tanks) to use during the event.
- If you are able to lend one, please label your family name clearly on the unit.
- Mitchell, the owner of Slaughterhouse Craft, will pick up the heaters at IC on Friday, October 3rd and will return them to the school on Monday, October 6th.

### Volunteer Opportunities

We are also looking for volunteers to help during the event at the:

- Ticket Table (selling extra drink and food tickets)
- Food Table (collecting tickets)
- Concession Stand (selling concession items)

If you are able to donate your time, this is a great way to earn Parent Participation hours and support our school community.
