Halloween Costume Day

This year on October 31st, students can come to school dressed in costume. We ask that costumes follow the list below:

1. appropriate for a Catholic elementary school (no devils, horror show characters, no blood, gaping wounds or missing limbs).
2. without any form of weaponry
3. easy for students to work in, sit at their desks in, go outside in and maneuver, without great assistance.

For students who are not comfortable wearing a costume to school that day, they are welcome to wear orange and black.

A Pumpkin carving contest will also be held on the 31st. Students can submit pumpkins into the following categories, character, animal like, artistic, scary or funny/comical. **Pumpkins carved at home can be brought to the front door at drop off in the morning and they will be displayed in the gym.** Please be sure to pick up your pumpkin by the end of the day or it will be composted.
