Dear Parents,

"Love one another as I have loved you."

The greatest commandment Jesus gave us was to love God and the second was to love our neighbour!

Our virtue this month is Love and our Dakelh teaching is community. Throughout this month we will focus on spreading Jesus' message of love and extending our kindness and compassion to all. This month students are encouraged to spread love within their homes, school and greater community through simple acts of kindness, done with great love. Let us be a light for all we meet. Let us spread love, generosity, and charity to others!

We celebrate Catholic Schools Week during the first week of February and we thank all of our parents, community members, parishioners and alumni who have volunteered their time to come in and read to our students!

On behalf of our staff at Immaculate Conception, we wish you a month filled with joy and love.
