## Showcase of Learning

Based on parent, student and staff feedback, while also aligning with Ministry guidelines, we are shifting our Student Led Conferences to a Showcase of Learning on April 23 from 6:00–7:30 p.m.

Families are warmly invited to visit the school and enjoy time with their child(ren) as they showcase their learning and celebrate their accomplishments. This evening is designed to highlight student growth and provide an opportunity for students to share their work with you.

Please note that this event is not intended to replace parent-teacher conferences. If you would like to meet with your child's teacher, we kindly ask that you arrange an alternate time directly with them.

## Earth Day

We will celebrate Earth Day on April 22nd. The day aims to raise awareness about climate change and global warming. The theme for Earth Day this year is "Our Power, Our Planet". Some ways that you can do this at home and throughout the year are:

- Reduce, reuse, and recycle. Cut down on what you throw away
- Volunteer for cleanups in your community
- Use refillable containers
- Turn off lights when leaving a room

Students can wear blue and/or green coloured clothing to school to show support. This is a non-uniform day.
