April 17, 2026

Dear Parents/Guardians,

For the 2026-2027 school year, we continue to offer a choice of how to purchase your child's school supplies. Our supply partner, School Start, will offer their back-to-school kits as an online order option for parents. This program offers school supply kits for each grade containing supplies that have been requested by your child's teacher. Ordering will be available up to the start of the new school year. Our goal is to simply provide a convenient option for parents when purchasing school supplies.

I want to emphasize ordering through School Start is optional. This is only one way to purchase your child's school supplies. Primary and intermediate supply lists will be posted on the website and emailed home. Should you choose to purchase supplies yourself, the brands listed are not mandatory, only the amount.

Whether you are purchasing through School Start or on your own, students will also require the following:

- 1 communication pouch-**Kindergarten only**
- 1 wired headphone set for all students (Kindergarten & Grade 1 require over the head version)
- 1 old T-shirt to use as a paint smock
- 1 cloth drawstring gym bag
- 1 water bottle (not glass)
- 1 pair of non-marking indoor runners for PE class as well as a T-shirt and shorts (as per PE dress code)

Please note that students **must** be able to tie their own laces if they bring lace up shoes to use indoors. If not, please provide them with other shoe options such as slip on, Velcro or "lace ups".

Please feel free to contact me if you have any questions.

Sincerely,

Kathleen Barth
Principal
