Living,
Celebrating, &
PROCLAIMING
OUR FAITH

The days are getting longer, the weather appears to be warming up, and signs of spring are all around us.

Our virtue this month is compassion. This month we will explore how we can be compassionate towards others in our home, school, and our greater community. How can we be compassionate towards ourselves? Compassion helps us to be understanding of others and ourselves, especially during difficult times.

As we begin this month of May, we honour Mary, our heavenly Mother, and celebrate her commitment to God. Mary placed her trust in God and emphatically said yes to Him! She showed great courage, compassion and love as she lived her life here on earth. Like Mary, we are also asked to say yes to God and listen to His calling.

We cordially invite you to our musical production of Alice in Wonderland. Our musical theatre students, along with Mrs. Harris and Miss Vickers, have been diligently working on this production since September. They are excited to perform and have you enjoy their amazing hard work. Please come out and show them your support.

May 7th at 1pm and 6:30pm
