## Principal's Message

Welcome to June!

It is hard to believe that we are in our final month of school for this year!

As we begin our final and extremely busy month of this school year, we encourage parents to refer to the school calendar online for the most up to date information. June is a busy month, filled with many activities.

There are field trips planned for several classes. If parent volunteers are required, it is **imperative** that criminal record checks and driving information are at the office **a week prior** to the scheduled field trip. All these documents must be current and up to date.

We know how hectic June can be, so if you have any questions, please do not hesitate to contact the office for clarification.

I want to take this opportunity to extend a heartfelt thank you to each and every family for an amazing school year. Thank you to our incredible volunteers for your continued support of our school, staff and students and to all who have helped with fundraisers, hot lunches, field trips, coaching, various classroom supports... the list is endless.

We look forward to seeing everyone around the school for various upcoming events and field trips!

## School Garden

We are seeking volunteers to sign up each week to water the school garden throughout the summer months. The requirement is to come to the school twice during that week and fully water plants, flowers and planter boxes in the garden area. The hose and attachments will be left out at the garden site. Please sign up by clicking this

## School Supplies for 2026-2027

Our supply partner, School Start, offer back-to-school kits as an online order option for parents to purchase school supplies. This program offers kits for each grade containing supplies that have been requested by your child's teacher. Ordering will be available up to the start of the new school year at <https://schoolstart.ca/>

Ordering your child's school supplies through School Start is optional and primary and intermediate supply lists are posted on the school website. Should you choose to purchase supplies yourself, the brands listed are not mandatory, only the item amount.

A heartfelt thank you to everyone who organized, campaigned, and supported the golf tournament this year.

### **PSG Chair – 2026/2027 School Year**

As we look ahead to next year, we will be seeking a new PSG Chair for the September 2026/2027 school year. After two years in this role, I will not be returning as I pursue further education. It has been a privilege to serve our school community.

The PSG will also be looking for someone to step into the role of Hot Lunch Coordinator for 2027. The volunteer will have 4 months (Sep-Dec) to operate the program with the current coordinator, Anita Allen, and then take over the position in January 2027.

If you are interested in learning more about these leadership opportunities, please contact **Mrs. Barth** at [kbarth@cispq.ca](mailto:kbarth@cispq.ca) or myself at [psgicschool@gmail.com](mailto:psgicschool@gmail.com)

Thank you for your continued support of Immaculate Conception School.
