Message

As we reach the end of another school year, it is hard to believe how quickly the time has gone by. This year has truly been a fast,

busy, and memorable one filled with learning, growth, laughter, creativity, and many special moments together.

It has been such a pleasure getting to know and work with your children this year. We are incredibly proud of all they have

accomplished and the growth they have shown both academically and personally.

We hope everyone has a safe, relaxing, and well-deserved summer break filled with fun, rest, and time together.

-Miss Vickers & Mrs. K
