At Home:

Please have students practice their multiplication and addition facts at home. Increasing their recall will benefit students throughout the year.

More Information:

October 14: Rosary assembly is at 10:45 am parents and families are welcome to join us. We are hoping to be outside (weather dependant)
October 30: Halloween dress-up day, and we'll have a Buddy Halloween party. We'll have snacks and watch a short movie with our Grade 2 buddies. Grade 5 this year is in charge of snacks/drinks for Halloween, and then Grade 2 will do the same for our Christmas Buddy party.

Looking Forward:

Language Arts: Students will learn different comprehension strategies. We'll look into making connections, visualizing, making inferences and asking questions about different texts. Also, continuing working on our spelling and writing skills.

Math: Students will work on operations with whole numbers. Addition, Subtraction, Multiplication and Division. Also, we'll be starting Facts on Fire, which will help students with learning their math facts

Social Studies: Students will continue to learn about Canadian identity, immigration, Indigenous Peoples of Canada and different historical events that shaped our country.

Science: Students will continue with our Simple Machines unit.

Art: Students will be participating in a variety of art projects using different materials.

Careers: Students will learn about setting goals and different careers.

Health: Students will be learning with Open Parachute and different topics during their morning work.

Spelling: Students will have weekly spelling words and tests.

Message:

Happy October! I hope everyone had a wonderful start to the school year. It has been lovely getting to know the students and watching them settle into our classroom routines and learning. This month, we will continue learning new concepts, strengthening our skills, and working together as a classroom community. October also brings lots of opportunities to enjoy the changing season, practice gratitude, and show kindness to those around us. Thank you for your continued support at home. Encouraging your child to read, practice their math facts, and practice their spelling words makes a big difference.

I am looking forward to another great month!
