November

What are we studying?

Writing: We are still working on tracing skills and on being able to print our name. We are also working on tracing the letters of the alphabet, uppercase and lowercase.
Reading/ Phonics: We are still learning how to participate and understand while listening, viewing and reading stories altogether. We are still working on name recognition. We finished our alphabet letter/sound introduction and recognition with the program Sunform, and have been working on explicit phonetic instructions with the program Ufli

Math: We are working on Number Concepts to 10, and ways to make 10. We are addressing the BC curriculum big ideas of Numbers represent quantities that can be decomposed into smaller parts and one-to-one correspondence and a sense of 5 and 10 are essential for fluency with numbers

Science: We are learning about daily and seasonal changes and how they affect all living things. This is the Big Idea of the BC curriculum which we will be working on for our first term.
Social: We are learning how rights, roles, and responsibilities shape our identity and help us build healthy relationships with others. This is the Big Idea of the BC curriculum which we will be working on for our first term.

Health and Career: Effective collaboration relies on clear respectful communication. Everything we learn helps us to develop skills.
Religion: We are working on the Big Ideas that God is love, that we all belong to his family, and that we listen and respond to God.

Theme of the month: Peace, Remembering and Respect

Homework:

-Show and Share #1 presentations are on right now. Your child's turn to present was or will be on the day they are the Special Person (check our monthly calendar)
-Read with your child whenever you find the time. It is the most beneficial homework activity you can do with them ☺
-Religion Duotangs come home on Fridays so you can read the pages of the week with your child at some point in your weekend, and they come back to school on Mondays.

Upcoming Dates:

November 6 Mass at 9 am
Field Trip to Exploration place
November 10 Remembrance Day Service 11 am
November 11 Remembrance Day - No Classes
November 13 World Diabetes Awareness Month Observed
November 26 Spirit Day
November 27 NID-No Classes
November 29 First Day of Advent

Reminders :

1. Check our monthly calendar to see when your child's Special Person Day is.
2. Please remember to sign your child's planner everyday.
3. Library days are on Fridays.
4. Religion duotangs come home on Fridays to go back to school on Mondays.
