CLASS NEWSLETTER-NOVEMBER 2026

Dear Parents/Caregivers,

November is here, and students are continuing to grow in independence, confidence, and responsibility. We have enjoyed a busy fall in Grade 6, and this month we will build on our learning while finding more ways to support one another and contribute to our school community.

Communication between home and school remains important. I will continue using the Remind app to share classroom updates, upcoming dates, and helpful reminders throughout November.

I will also continue to send home monthly newsletters with a more detailed look at what we are learning, important dates, upcoming events, and classroom news.

Please make sure you are connected to our class on Remind so you don't miss any important messages. You can join our grade 6 class here:
https://www.remind.com/join/fa2gk4h?utm_medium=ios

Thank you for your continued support. I am looking forward to another great month of learning together in Grade 6!

CRAFT FAIR VOLUNTEER SIGN-UP

The Craft Fair is Saturday, November 14, from 10:00 a.m. to 4:00 p.m. in the hall at Immaculate Conception School. Families are invited to volunteer for a 30-minute shift. We appreciate your help!

Craft Fair parent sign-up: Click here to sign up

REMINDERS

- Planners: Please sign planners daily. Students should continue recording homework and reminders of upcoming events.
- Reading: Students should read 20–30 minutes each evening.
- Please sign and return all permission forms as soon as possible.

WHAT WE'RE LEARNING THIS MONTH

MATH: We will complete Chapter 2, Number Relationships, and move into Chapter 3, Order of Operations. Students will learn how to use brackets and apply operations in the correct order. Regular multiplication practice will continue to be important through Facts on Fire and Math Minutes.

LANGUAGE ARTS: Students will continue daily journalling, handwriting, spelling, and Communicating Skills. We are nearing the end of our novel study of Mrs. Frisby and the Rats of NIMH. Students will finish comprehension activities and prepare for their final diorama project.

CLASS NEWSLETTER-NOVEMBER 2026

SCIENCE: We are wrapping up our solar system study. Students will complete their planet projects using a brochure, poster, or slideshow to share their research and learning with classmates.

SOCIAL STUDIES: We are beginning our Media, You and the World unit. Students will explore how different forms of media influence the way we see the world and will learn to recognize perspective and bias in media messages.

RELIGION: We will continue praying together and participating in school Mass. This month, students will begin learning about Jesus Christ and the Incarnation, including the Annunciation and the birth of Jesus. We will explore what it means that Jesus is Emmanuel, 'God with us.'

CAREER: Students will explore different learning styles and discover how they learn best. They will reflect on their personal learning preferences, identify their strengths, and practice a variety of strategies to help them become more confident, independent, and successful learners.

HEALTH: Our Healthy Living unit will focus on puberty and caring for our changing bodies. Students will learn about healthy habits, physical and emotional changes, personal dignity, and the importance of respectful conversations and trusted adults.

ADST: Students will continue developing their digital research and presentation skills as they finish their science projects. They will also be working on their dioramas for our novel study, *Mrs. Frisby and the Rats of NIMH*, using creativity, planning, and problem-solving skills to bring important scenes from the novel to life. We will emphasize organization, attention to detail, responsible technology use, and taking pride in their finished work.

IMPORTANT DATES

- November 4 – Virtue assembly at 11:15 (grade 2 to host)
