

Immaculate Conception School

November 2026

Ms. Garden's Classroom Newsletter

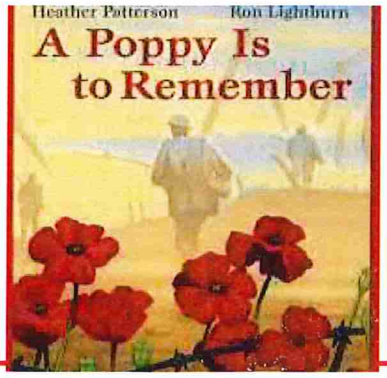

I hope everyone had a great Hallowe'en weekend! Please ensure your child is dressed appropriately for the weather this month as the snow will soon be on the ground! It can also be quite chilly on the playground with even a little bit of wind!! If possible, please label your child's jackets, snowpants, hats and mitts with their name as this helps in locating its owner!

Religion-This month we will learn more about some of our saints. We celebrate All Saints Day and All Souls Day the first two days of November. We will also learn more about the significance of Remembrance Day and participate in our school ceremony on November 10th.

Math- We will continue with addition with regrouping in the tens and ones place up to 1000. We will then learn subtraction with regrouping in the ones, tens and place up to 1000.

Science – As we continue our study of biodiversity we will look at food chains and food webs. We will identify the producers, consumers and decomposers in food chains. With this knowledge, students will work with a partner to complete a diorama of a chosen ecosystem and identify these different components in their ecosystems. Students will complete their diorama and the written part of this project at school this month. Please chat with your child on the ecosystem they have chosen to do and send in any items they can add to their ecosystem diorama.

Socials- We will compare our own worldview with the Indigenous Peoples' worldview. Student will create a culture wheel where they will explore their cultural traditions and worldviews. We will learn how the land and its resources in plants and animals shape the lives of Indigenous Peoples.

Kindness Virtue of the Month: Peace

Peacefulness is an inner sense of calm. It comes in quiet moments of reflection or gratitude. It is getting very quiet and looking at things so you can understand them. Peacefulness is a way of approaching conflict with others so that no one is made wrong. It is being fair to others and yourself. Peace is giving up the love of power for the power of love. With peacefulness, everyone wins.

The Dakelh value teaching this month is Respect. Our Acts of Service is providing for the Giving Tree.

Upcoming Events

Nov. 1 All Saint's Day
Nov. 4 Virtue Assembly by Gr. 2
Nov. 6 School Mass 9am
Nov. 10 Remembrance Day Assembly- 11 am
Nov. 11 Remembrance Day Stat- no school
Nov. 16 Culture Wheel due
Nov. 19 Present Treasure Chest items
Nov. 26 Spirit Day
Nov. 27 NID Report Writing Day-no school
Nov. 30 Advent Assembly Gr. 2 and Gr. 3

Language Arts- We will continue to read stories from our reading program, Keepsakes and Treasures, and complete comprehension questions, make predictions, use context clues for meaning and complete writing activities related to these stories. In writing, we will continue to work on writing a topic sentence, using sequence words and adding details by describing our Hallowe'en experiences. We will then focus on using these skills to write our ecosystem reports to accompany our ecosystem dioramas.

Health Ed- We will identify and apply strategies that promote mental well-being.
