Grade 8 Online Transition

To enable an easier transition for independent school grade 7 students to a School District No. 57 Grade 8 program in September 2019, our online application for registration will be open to these students for 3 weeks starting January 15.

The Transition Process will open at 9:00 am on January 15, 2019 and close at 3:00 pm on February 5, 2019.

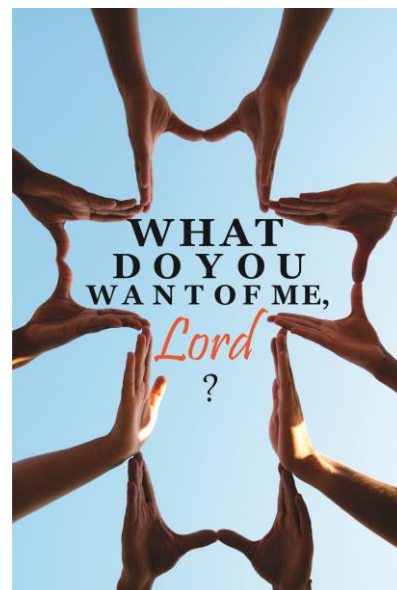

Parents will be contacted directly by the catchment secondary school with School District No. 57 registration information. If students are wishing to attend a secondary school other than their catchment school they must **first** complete the Online Transition Process and then apply from their School District No. 57 catchment school to their requested school by completing a Student Transfer request.

The Student Transfer Process will open on February 6, 2019 at 9:00 am and close on March 6, 2019 at 3:00 pm.

Parents/guardians will be notified by the requested school by March 29, 2019 as to the status of their Student Transfer request.
