Earth Day

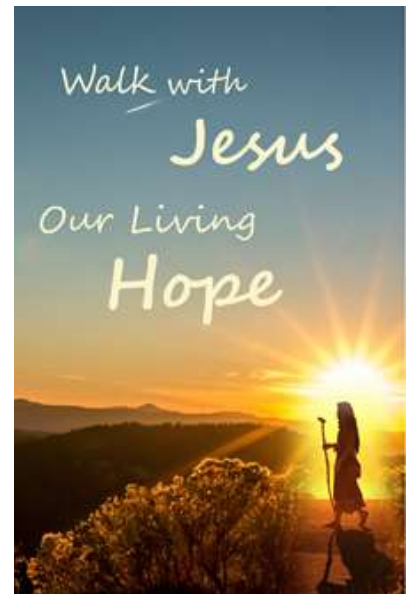

Earth Day is celebrated on April 22nd every year. The day aims to raise awareness about climate change and global warming. The theme for Earth Day this year is "Restore the Earth". Some ways that you are able to do this at home and throughout the year are:

- Reduce, reuse, and recycle. Cut down on what you throw away
- Volunteer. Volunteer for cleanups in your community
- Conserve water
- Plant a tree

Students can wear blue and/or green coloured clothing to school to show support. This is a non-uniform day.

We will continue with our walk-a-thon until the end of the month. You can log your km's [HERE](#) or from the website, under the Online Learning tab. Let's finish strong and see how far we have "travelled" across Canada.
