Teacher's Note

Hello Grade 6 Families!

Welcome to Grade 6! I am very excited for the start of a new school year and getting to know your children. We have already had a great first week! I will be sending out brief newsletters throughout the year to keep you updated on what is happening in our classroom.

In Grade 6, we will be using Google Classroom and Prodigy to support learning online. I have also used Freshgrade to update families on student progress in the past, but unfortunately, the Freshgrade platform is no longer operational. I hope to get a "portfolio" based platform up and running for parents to access within the next few weeks. I will send all necessary log in info home with students.

If you ever have any questions, concerns, or would just like to connect, please email me at ahodgson@cispq.ca.

Take care,

Mrs Ashlee Hodgson
