

## Miss Fernandes' Monthly Newsletter

Dear Grade 7 Families,

Welcome back to a new year at Immaculate Conception School! I know that many students have been looking forward to this year and I am very confident that this class will make it a memorable last year of elementary school.

I feel so blessed to already have a relationship with this class. It was so much fun teaching them religion, so I am very excited to be their classroom teacher this year.

If you need to reach out to me at all, please don't hesitate to send me an email and we can arrange a conversation. My email is [kfernandes@cispjg.ca](mailto:kfernandes@cispjg.ca) and can also be found on the school website.

In Grade 7, traditionally FreshGrade was used to track student assessment, however we are unable to use it this year and will result to another platform. Once that platform is decided, I will send out an email regarding the navigation of it. Until then, you are welcome to reach out to me by the email or phone number listed below.

### Curriculum

**Math:** Divisibility and integers

**Language:** Inferences, nouns, sentence/paragraph structure

**Socials:** Why we study the past?

**Science:** Chemistry; atoms, molecules, substances

### Contact Information

Email: [kfernandes@cispjg.ca](mailto:kfernandes@cispjg.ca)

Phone: (250)-964-4362

### Reminders

It is expected that students read for 15-30 minutes a night.

Students are expected to complete their homework every night and be prepared with all of their books/work the next day.
